CHICAGO, MONDAY, FEBRUARY 8, 1864.

[Special Dispatch to the Chicago Tribune.]

TERMS HAUTZ, Pub. 8, 1864.

The rebels in Edgar County, Ill., seem to have the ability and means to create disturbances and produce mischief periodically. On last evening quite an army of them, numbering some four or five hundred men, were assembled near Paris for the purpose of lating the town, or rather for the purpose of lating.

FROM CINCINNATI. on the 1st, state that the enemy is still in force at Dalton, and they discredit the statement that any considerable force has been detached from the rebel army there. Questral Palmer's advance had slight skirmishes always the statement of the property of the statement of the s

NEW York, Feb 6.-The Richmond Eve

At shoul one o'clock a m., the gassatoek their departure, terminating one of the most pleasant festive scenes ever winessed in Washington. Full justice was done to the soliders—privates as well as officers. Great credit is given to the growing State of alteneous, for the particite part she has borne in the war.

The presence of men gentlemen as the vice President, the Secretaries of Was, and of the Interior, and so many Sanators and Representatives, testified to the deep interest felt in what Minnesota had done, and what her first regiment had accomplished. This morning the regiment left for home. They were escorted to the depot by the hand of the 4th N. Y. artillery, whose services had been kindly tendered by their officers, and by a large number of Minnesotians.

The regiment will arrive in Chicago about the micalle of the week.

SECOND DISPATCH.

[Special Dispatch to the Chicago Tribuna.]

Washington, Feb. t.

The most reliable news from the front to New York, Feb 6.—The Richmond Environ 2832:
Several thousand Yankes priseness are about to be sent to Georgia. Nue hundred of the six or seven thousand in Richmond were in hospital on the 26th.

A gentheman from Wilmington informs the Petersburg Erman it will soon be impossible for a vessel to get into that port without incurring a hunard almost equivalent to a positive loss.

The steamer Auslin, from Havana, arrived at Mobile January 6th, with a cargo of pork, gimpowder, &t., for the rebel government. [Special Dispaich to the Chicago Tribune.]

Washington, The most reliable news from the front is that a brisk skirmish had taken place on the Rapidan growing out of aggressive movements of the Third Corps, in which the enemy were punished with the loss of some prisoners. All reports of a serious engagement are monored. Gen. Sedgwick is in command of the army during Moade's absence. THE COAST BLOCKADE. Washinsorius, Fob. 5.—The following dispatch was read at the Navy Department this morning:

U. 5. Pasas Sury Maximora.

Ove Navious Nava, Fob. 4, 1984.

The supply deamer Newborn has arrived. The financias and the Florida have desiroyed the nava and fast blackde-runner Wild. Hayrell, new New Topsaul meet of her cases.

Acting Boar Admiral.

DECISION IN THE CHESA-PEAKE CASE, HALIPAN, Fab. 6.—In the case of the Chesapake, the Judge of the Admiralty Court decided to restore the vessel and cargo to the owners subject to conditions regarding the payment of the expense of the Court.

Marshall Hane and a number of Courfederate officers left on the steamer Alpha for Dixie to-day.

in secomplishing anything.

There is no later news from East Tennessee,
A dispatch from Gen. Banks states that our
antire rebel company, came within our line
at Pensacola to take advantage of the Pre-From Western Virginia.

Hearquirens Warran Vinginia.

Hearquirens Warran Vinginia.

General Early has been compelled to retrest
up the South Fort of the South Branch, towards the Shessandoah Valley, in consequence
of the vigerous manner in which he has been
attacked and pursued by Gen. Kelly's forces.
Our combinations have proved successful in
deficiting the memory's advanced successful in attacked and pursued by Gen. Refly's Brees. Our combinations have proved encosorful in definiting the seemy's designs. We have taken quite a number of prishores, and recaptured many of those taken from us. Our force drove the ensury out of Petersburg. The ensury lost a large number of mes by describing and discerners: ""stance to come in.

The occupation of the wires with the military business precludes the possibility of sending a longer dispatch at this time. The weather is fair.

The Committee on Ways and Means will give andience to the distillers on Tuesday. Latest advices from North Carolina Indi-cate that the enemy recently threatening New bern have withdrawn their forces with out accomplishing anything.

The War in Yirginia.

FROM COLUMBUS.

as District Provest Mambal Lt. Carrie, Quartersiter, is still there. Col. Layrence, Stith N. J., new Post Commander, is occupying the large briefs building as heast-purform. The 1th and 1th Tenn. Cavalry see in control of the market between the placet and this will be kept in running condition until surther orders. That post is commanded by Col. Hawkins. A few of the Stith N. J., have been sent to island No. 10, and the piece is pet occupied by contrabands. For Pillow is not now occupied, as there is no occasion for troops at that point. Trade there will be stopped gantierly. There is a report that force of native troops is now being raised to garrison the place.

THE LETT WING OF THE CORPS.

At shout the same date that the division under Ges. A. J. Smith, moved from Columbus, Gen. G. M. Dodge, commanding the left wing of the 16th army corps, pulled up stakes and deserted Corich, sending his evalury is strong force across the country, and part of furnished by each county prior to Oct. 1, 1868, sociouse of those enlisted in Missouri regiments, and zeroissies of those enlisted in Missouri regiments, and zeroissies of those enlisted in regiment for other States than our own and Missouri.

5. The number of volunteers in Illinois regiments furnished prior to Oct. 1, 1803, by other States (archesive of Missouri). This number is believed to be about the same as those furnished by this State to regiments of the same States. A settlement with such States will be made at the earliest practicable period. the Week Ending February 6, 1864. selves the claivalry of the nineteenth century, and stigmatized their foce as pondiers. They were moral and religious; their late partners immoral and fanatical. They were truthful and honest; the Yankees (for so their enemies were called) where liars from the womb and cheats by profession.

Strang to eay, this new and heroic race, which gave such brilliant promise, has disappeared as suddenly as it appeared; and by a metaphorphosis unparalleled in the pages of fiction given way to people every whit as had, if no worse, than the Yankee. If recent issues of the same dingy, newspapers, which three years ago breathed so, defaunt a tone, and such consciousness of superiority, may be trusted, the once noble population of the South has become unterly extinct. Partiotism is dead; coruption and frand stalk in high places; the dinances are in ruins; food is vearly exhausted; extortion and speculation rule supreme; not a particle of statesmanhip is displayed; Congress has gone mad; civil liberty is threatmed at the hands of the friends of the Chief Magiatrate; civil ability has perished; military talent is rapidly winning; and, which is worst than all, the people who are fighting, and have given themselves up the men to drinking and the woman to paint and exposure of their persons. Weese, yet, every body is frighteend because, for sooth i some hundreds of thousands of Yankee (many) wen millions of whom have already been whatpad are coming naxi spring. Of course these are not the same people who inhabited the South three years ago. A disholical and increptically metamorphosis has been wrought. An internal hoompet-healible transmutation has taken pines. As for the people who have taken the pines of the South three years ago. A disholical and increptional the firm another metamorphosis has been wrought. An internal hoompet-healible transmutation has taken the pines of the South three years ago. may Evering, Feb. 5, 286.
